OPENING CEREMONY

The beautiful historical area of Korunní pevnůstka warmly welcomed more than 250 athletes, officials, organisers and friends of academic sports. Through the pleasant evening all the visitors of the opening ceremony accompanied two speakers Petr Kubásek in Czech and Jan Exner in English. Local culture was introduced by singing folklore group Kassiopea and dance folklore group Kosíř, both with breathtaking performances.

During the welcoming evening were held speeches from representatives of different representatives of the main collaborating organizations: chairman of EUOC organizing committee and founding father of the event Dušan Vystavěl, the IOF President Leho Haldna, as well as the chairman of EUSA Adam Roczek. This part was ended with energetic speech of prorektor of the Palacky University Olomouc Vít Zouhar. The oaths of students were promised by Tereza Janošiková from UP Olomouc and Ondřej Vystavěl from Brno University of Technology and the officials and functionaries oaths were given by Mrs. Zuzana Štrajtová and Mr. Jerzy Antonowicz.

The competitors will meet in Korunní pevnůstka once again on Saturday, this time for to fight for the last three sets of medals in the sprint relay. Right after the race is planned the flower and medal ceremony and then closing ceremony of the whole event. But now is not to the time to think. We are on the beginning of

the event, so there is no time for thinking about the end of the event. A lot of exciting moments and experience are ahead of us. Enjoy Your time in Olomouc, in the Czech Republic!

GENERAL TECHNICAL MEETING

General technical meeting was on Wednesday from 2 p. m. First presenter Piotr Marszal, representative of EUSA was introducing his organization, their goals, aims and plans for upcoming years. Hanka Horvátová, head of Event office, spoke then about practical issues mostly regarding accomodation. The whole GTM ended with speech of Szava Zsigmond talking about competitions, who gave to athletes many tips, important information and answered all questions, which came from athletes during last days. After that, there was an technical model prepared in the area next to the building, where competitors had the possibility to try the starting procedure with punching system.
